# Problem 3

Blogs with the five highest Pagerank values are "blogsforbu", "dailykosc",
"drudgerepo", "instapundi", "talkingpoi".
Blogs with the five lowest Pagerank values are "40ozblogb", "4linatblo",
"americandr", "asiannati", "asiegeofhe".

# Problem 5

The sum of Pagerank value for liberal is 0.24 and the sum of Pagerank value
for conservative is 0.76. So the conservative had more weight in the blog
graph.
